

# Roll My Stone

Written by Joshua Luke Smith | Even Now Album

Recorded Key: E | Written Key: Capo 4 in C

## Chorus:

**C** **G/B** **Am**  
Father, Father won't you roll my stone away,  
**F** **C**  
Father won't you roll my stone  
**C** **G/B** **Am**  
Father, I just want to come back home again,  
**F** **C**  
I just want to come back home

## Verse 1:

**Am** **F** **C**  
I spent so long learning to be strong  
**Am** **F** **C**  
Only to find, what I wanted all along  
**G**  
Was to be like a child again,  
**F**  
To see like a child again,  
**G**  
To be as free as a child again,  
**F**  
Oh to dream like a child again

## Verse 2:

**Am** **F** **C**  
I spent so long, learning to stand tall  
**Am** **F** **C**  
Only to find, what would happen when I fall  
**G**  
Into Your arms again,  
**F**  
I'm learning to laugh again,  
**G**  
I put the world on my shoulders but,  
**F**  
I'll put it back in Your palms again

## Bridge:

**Am** **F**  
I don't wanna play the game anymore  
**Am** **F** **C**  
Where I live everyday like I'm earning a score  
**Am** **F** **C**  
I just wanna know and learn for sure  
**G** **F**  
That I'm loved by You, and I can trust in You
